LESSON 6 Questions for discussion – Know Your Enemy

French Revolution
1. Did you notice that the French Revolution was engineered by Illuminated Freemasons, for the purpose of establishing a utopian society?
   a. What did they try to manipulate to solidify power and control? Truth.
   i. How do governments attempt to do this today? Control of media.
2. What philosophy was behind the Reign of Terror? Elimination of undesirable individuals to attain a perfect society.

American Revolution
4. What organization was involved in both the American and French Revolutions? Freemasonry.
5. After viewing this section, what religious ideas do you think influenced the Founding Fathers? Deism, Reason. [See: our newsletter, AMERICA’S CHRISTIAN HISTORY?]

The Hidden Hand

The Capitol

Lilith
   a. What modern movement is represented by Lilith? Feminist Movement.
   b. She is also associated with the modern glamorization of what? Vampires.

Bohemian Grove

Rothchild Era Part 1 - Usury
10. What does the paper money in your wallet represent? Debt to a private Central Bank. [See: THE MONEYCHANGERS – 1 newsletter for a completed description of this concept.]
11. Can the debt created by a central bank ever be repaid? No.
   a. Why? The payment of interest requires additional debt be created.

Rothchild Era Part 2
12. If the Central Bank run by the wealthy elite controls the nations, how can we get free of the debt slavery? Ideally, a nation can function as its own bank (creating its own money), eliminating the need for interest payments to private banks, eliminating its own national debt – doing so will likely bring wars.
