The Rothschilds Part 3

• In 20\textsuperscript{th} Century – Rothschild obsessed about returning Jews to their homeland.

• In 1897 – Zionist Congress was formed for this purpose – symbol, a red hexagram.

• Many German Jews protested because they were comfortable in Europe.

• Theodor was elected president of the Zionist Organization.

• Theodor Herzl indicated that suffering of Jews need be increased to get them to desire their traditional homeland.
The Rothschilds Part 3

• A red hexagram became the symbol.

Notice the “red shield” of the House of Rothschild with the hexagram.
The Rothschilds Part 3

• Rothschild began to fund Jewish colonies in Palestine (Israel).

• In 1903 – Max Norday spoke of a future world war after which a Jewish Palestine will be created.

• On 15 August 1871 Freemason Albert Pike had predicted three world wars in a letter to Mazzini – each would be for a specific purpose.

• In 1907 Rothschild agent Jacob Schiff was working toward a central bank in America.
The Rothschilds Part 3

• In 1913 congress agreed to the Federal Reserve thus, according to Congressman Charles Lindbergh, “establishing an invisible government.”

• President Wilson acknowledged his terrible mistake, “I have unwittingly ruined my country.”

• 1914 – began WWI, and in 1917 at its close brought the English Balfour Declaration to establish the Jewish homeland in Palestine as predicted by Max Norday in 1903.
The Rothschilds Part 3

• After WW I, The Versailles peace conference was hosed by Edmund Rothschild – The Jewish homeland was discussed.

• The second world war as envisioned by Freemason Albert Pike would result in pitting communism and Christian capitalism.

• Communism and capitalism are twin mechanisms designed to destroy sovereignty to merge nations into a superstate – dialectic principle at work.
The Rothschilds Part 3

• Thesis vs Antithesis - synthesis
• Capitalism vs communism – one world
• Republican vs Democrat
• Black vs white
• Masonry vs Catholism
• Lenin – "I don't care what becomes of Russia. To hell with it. All this is only the road to a World Revolution."
• Pike’s WW III would be between Muslims and Jews.
The Rothschilds Part 3

• Pike’s ultimate goal is to bring in the pure Luciferian religion by the destruction of both atheism and Christianity.

• The Enlightenment lead to atheism which was Modernism – which lead to Post-modernism where people would move from atheism to Mystery Religion (New Age) – to finally acceptance of the manifestation of the Luciferian Antichrist (2 Tim 4:3-4).
The Rothschilds Part 3

• Rothschilds, in 1930, established the first world bank in Switzerland – the forerunner of the present day IMF and the World Bank.
Are the Jews to Blame?

• In 1948, Israel was born and took as their symbol a blue hexagram.

• Rothschild's controlled the Jewish Congress so the hexagram was retained.

• The Rothschilds claim to be Jewish and were the driving force behind the formation of Israel – people therefore blame the Jewish people for the sins of the Rothschilds and the world’s problems.
Are the Jews to Blame?

• The Jews are not to blame, they are still God’s people, the world blames the Jews for what they see international bankers doing, because they perceive them to be controlled by Jews.

• These so-called Jews are not Jews at all, just like the Catholics are not Christians at all, pretending to be the thing they wish to destroy.

• Remember – God can use evil for good.
The World Today

• European symbolism speaks of Babylon and the End Times of Bible Prophecy.
The European Union has clothed itself in the Prophetic Biblical symbols since its beginning.

Three symbols in particular are featured:

1. The Whore of Babylon on the beast (Rev 17).
2. The twelve stars of the woman of Revelation 12 (Rev 12).
3. The Tower of Babel (Gen 11).

All of these symbols point to end-time events, while the Tower points to man’s wicked rebellion.

Let’s now look at the first symbol, the Whore.

The
Merger
Notice the twelve stars of the EU flag.
Notice Mary’s twelve stars of the Catholic Mary.
European Symbolism

On 8 December 1955, on the “Feast of The Immaculate Conception of Mary”, European Ministers’ delegates officially adopted the European flag -- twelve stars on a blue background, designed by Arsene Heitz.

According to Heizt, the inspiration for the flag was from this image of Mary from Revelation 12, according to Catholic interpretation – actually the woman in Revelation 12 is Israel.
The United Nations Background

- The United Nation’s purpose is to reverse the scattering of the Tower of Babel.
- The first attempt was the League of Nations after WW I – The second attempt after WW II produced the United Nations in 1945.
- The first Secretary General was American Alger Hiss who later was convicted of perjury, and was accused of being a traitor, a communist and a Soviet spy.
- Joseph E. Johnson, another founder of the UN, was secretary of the secret Bilderberg Group.
The United Nations Background

• UN – patterned after Constitution of Russia and the Communist Manifesto.
• The very early Secretary Generals of the UN were Marxist socialists, and the pattern continues to the present day.
Spiritual United Nations

- Non Governmental Organizations (NGO’s) are UN organizations that oversee every aspect of daily life around the globe – such as economy, education, climate, food production, etc.
- The UN agenda is driven by spiritual beliefs leading to the formation of a neo-pagan one-world religion.
- Former Vice President Al Gore has written and spoke about returning to some form of pantheistic worldview.
- The UN and people like Al Gore want to unite the world under a Mystery religion.
World Core Curriculum

• The late UN leader Robert Muller (d. 2010) made it his goal to promote spiritual unification of the world and a United Religions.
  • He said: “We must move as quickly as possible to a one world government; a one world religion; under a one world leader.”
• By way of his “World Core Curriculum” the same ideas would be taught to “steer our children toward global citizenship, earth-centered beliefs, socialist values and the collective mindset which is becoming a requirement for the 21st Century workforce.”
Alice A. Bailey

- The World Core Curriculum as propose will be based on the new age teachings of Alice A. Bailey (1880-1949) to prepare them for a one-world government.
- Alice Bailey stated that her books were telepathically channeled through her spirit guide.
- She was a Theosophist.
- Together with her 32nd degree Freemason husband, Foster Bailey, they founded The Lucifer Publishing Company, Later changed to Lucis Trust – a United Nation’s NGO.
- She dedicated herself to the Coming One (Lucifer).
Alice A. Bailey

- People are moving away from atheism and returning to ancient religion (the New Age one-world religious system).
War On Parents

• The UN supports Plato’s idea of removing children form the ‘manners and habits of their parents’ – and abolishing the family unit.
• Family loyalty is considered a hindrance to achieving world government.
• The UN believes that children should not be taught a concept of right and wrong – they believe there is no such thing (situational ethics).
• The ultimate goal is transfer of full sovereignty from separate nations to a world organization.
War On Parents

• UNESCO thinks that if you have been teaching your child the truth about God in the home then you have injured their mind and that this needs to be undone in the school.

• "Fundamental, Bible believing people do not have the right to indoctrinate their children in their religious beliefs, because we, the state, are preparing them for the year 2000, when America will be part of a one-world global society and their children will not fit in." Peter Hoagland, Nebraska State Senator and Humanist, 1983
War On Parents

• The feminist movement has taught women to think of motherhood as inferior to careerism – promoting UN goals of destruction of family units.
Unity vs. Truth

• Unity cannot allow opposing “truth” statements.
• We will either unite under God or under Satan – both cannot exist in unity.
• To achieve unity, then absolute truth must be discarded.
• We have been conditioned to believe there is no such things as absolutes – everything is relative – there is no right and wrong.
• The urging of Christians to merge in ecumenical unity is the same concept – different denominations will have to compromise their basic beliefs for peace and unity. (Matt 10:34)
Unity vs. Truth

• “Where peace or unity is placed as the highest ideal in the minds of men, even above truth, we will soon find ourselves allowing false teaching, refusing to challenge heresies just to keep the peace, and even promoting it as equally valid in the name of tolerance and understanding. Unity Above All is a deception.”

• “The Bible is clear that Truth must always come before Unity. Always.”
